

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with effectively manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to offering new design concepts and top quality to be able to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They like providing products which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK enjoys tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and requirements combined with their understanding of cleaning applications, together with owners' strong desire to significantly lower expense through productivity gains.

The workers at TREK and their dealer-partners are really dedicated to having both technical support and parts obtainable when it is needed. Their high service dedication is among the core values in their customer service. Keeping their clients' cleaning machinery functioning and ready day by day is top priority. The company's top of the line technology delivers reliable equipment which ultimately lessens your cleaning cost. The price, the service and the product all work together to be able to make them an industry leader.
